

DEEPAK KEWAT

SOFTWARE ENGINEER

PERSONEL PROFILE

As a B.Tech student in Computer Science Specialization with Artificial Intelligence and Machine Learning, I am passionate about software development and driven to create innovative solutions. My technical foundation fuels my desire to contribute to a forward-thinking team and learn from experienced professionals. Eager to refine my skills and gain practical experience, I am committed to excellence and actively seeking opportunities to participate in software development projects. My goal is to not just be a part of this exciting field, but to contribute to its evolution through continuous learning and dedication.
